

CEDAR CREEK™ CLASSIC VINYL SIDING

Built to withstand the elements.

QUALITY AND VALUE

The most affordable option in our family of quality products, Cedar Creek™ Classic Vinyl siding is textured with a weathered wood grain that is built to withstand the elements. Manufactured with the same UV protection as our premium lines, and certified under the Vinyl Siding Institute certification program, Cedar Creek Classic siding is available in four profiles and a range of colors for a beautiful, durable and affordable alternative to wood.

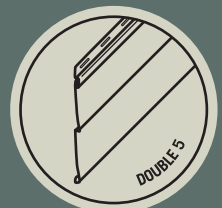

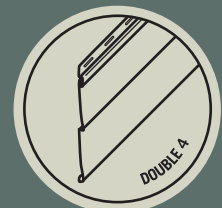

Visit www.abtco.com for more on our family of quality products.

CEDAR CREEK™ CLASSIC VINYL SIDING

WHY CEDAR CREEK CLASSIC SIDING?

- Cedar Creek Classic siding's .040" thickness exceeds ASTM D3679 minimum requirements.
- Weathered wood grain and low gloss finish give the appearance of freshly painted wood.
- Our unique Insta-Lock™ panel locking system means quick and easy installation.
- High-grade vinyl compounds and UV inhibitors mean outstanding resistance to the elements.
- Cedar Creek Classic's 1/2" profile depth offers excellent rigidity and attractive shadow lines.
- Our VaporVent™ weep hole system helps channel condensed water vapor away from the siding.
- Compatible accessories are available to help you finish the job right.

PROFILES
